Welcome everyone to Canton Township's Liberty Fest!

We have celebrated this annual June event together for 29 years, with the exception of our two-year COVID hiatus. Heritage Park will once again be alive with the sounds of summer from June 16-18th, just in time for the end of the 2022 school year.

When I think of Liberty Fest, I think of music, fun, food, and laughter with my friends and family, and Canton's 29th annual festival promises all that and more. My favorite memories include great entertainment, and of course the famous fireworks!

There is always something exciting going on throughout the three-day festival. Thursday and Friday evenings feature live entertainment on stages all around the park. This year we will be hosting our fireworks display on Friday evening when the sky will come alive with color and sound with one of the largest and most spectacular fireworks shows in Michigan. Tens of thousands of neighbors will fill Heritage Park, area backyards, Pheasant Run Golf Club, and roads in the area to view this absolutely incredible aerial show.

Of course, what would Liberty Fest be without the wide variety of food and beverages available throughout the park? The Beer and Wine Garden and Liberty Festival Food will be located near the amphitheater once again, where festival-goers can enjoy signature menu items from area restaurants and food trucks, as well as adult beverages. Of course, other festival favorites will be available all weekend. We are talking about corn dogs, cotton candy, kettle corn, elephant ears, and more!

And let's not forget about the carnival rides! They will be available every day for the adventure-seekers in your family. Wristbands are available for purchase on-site or at a discounted rate for the full-festival Mega Band at www.cantonlibertyfest.com before June 16 at 9 a.m.

This year's Liberty Fest weekend will feature an inaugural Juneteenth Celebration starting at 3 p.m. on Saturday at the amphitheater, featuring performances by the Oak Park Marching Band, Jack and Jill of America, Incorporated - Ypsilanti, MI Chapter, and Motown music performed by the Kalazh Band at 5:30 p.m. This special celebration will culminate with a dynamic performance by Detroit's Queen of Blues, Thornetta Davis, at 8 p.m.

The Canton Township Board and employees are honored to continue Canton's 29-year tradition of presenting a family-friendly weekend event. Most events and activities are available with little or no cost to festival attendees. For a full schedule of events, please visit www.cantonlibertyfest.com

I hope to see all of you out at Liberty Fest 2022! Come on over and say hello!

Lions Club Pancake Breakfast set for Saturday morning

Crowds are expected to flip at the Canton Lions Club Pancake Breakfast during the Canton Liberty Fest set for June 16, 17 and 18 this year. The event will return to Heritage Park after a 2-year hiatus due to the pandemic.

John Anthony, president of the Canton Lions Club Foundation, said this will be the 27th year the club has sponsored the breakfast which has become a tradition at the festival. As always, the breakfast is set for Saturday morning during the festival events.

Anthony said this year the breakfast would again include servers from Chris Cakes who take delight in "flipping" the

pancakes from the griddle onto the waiting plates of patrons brave enough to try and catch the flying cakes from the air. He said the event has evolved over the

years and "kids really like it."

The breakfast is a fundraiser for the

group which is dedicated to helping visually or hearing-impaired children. Anthony said one of the main beneficiaries of the club is Penrickton Center for Blind Children in Taylor. The Lions Foundation also helps fund the printing of books in Braille for children, among several other charities.

"The breakfast is one of our main fundraisers" he said, "and last time, I think we generated about \$3,000. Every nickel goes to charity."

In addition to the flying pancakes, some fun characters are expected to be on hand from 9:30 until 11 a.m. including Princess Leia and Darth Vader.

The Lions will serve pancakes from 8 until 11 a.m. on Saturday at the North Pavilion on the festival grounds in Heritage Park. The cost is \$7 per person.

Celebration

Thought to be invented by the Chinese 2,000 years ago, fireworks have been a tradition in American celebrations since the founding of the country. Canton Township will host a spectacular display of the pyrotechnic wonders beginning at dusk Friday in Heritage Park. While the fireworks display has traditionally taken place on the closing night of the Liberty Festival, organizers opted to move the popular event to Friday night this year in case Saturday would be needed as a rain date.

Rotary Club beverage tent is popular festival attraction

Veteran Liberty Fest visitors agree that one of the most popular attractions at the event in past years has been the Adult Beverage Tent operated by members of the Canton Rotary Club.

“Yes, we usually turn out to be the gathering place at the festival,” noted Rotary Club President Barry Burnham. “Just about every one of our members, including Bill Brown who just turned 101, will be on hand.”

Brown will take a volunteer shift or two at the tent serving beer, Burnham said, “as will all our members.” The Rotarians will work in

drinks at the tent often help out, too, Burnham said.

Burnham said the club members are excited about bringing this project back after the two-year hiatus due to COVID, and are looking forward to the event which is the main fundraiser for the club civic donations and efforts.

"Last time, I think we generated about \$15,000 from the tent," Burnham said, "which all went back into the community, 100 percent." He said the club funds college scholarships for local students and recently completed a food drive and a diaper drive for Hope Clinic.

The largest recent project of the club, noted Bill Tesen, a charter member and twice past-president of the club, was a suicide education and prevention effort in cooperation with

the Wayne-Westland school district. Tesen said the club members were able to provide a symposium during Mental Health month in May and also funded books for the libraries at the district elementary, middle and high schools along with printed materials for students facing the threat of suicide.

The Rotarians will be offering a 12-ounce serving of a wide variety of Budweiser products during the festival. Visitors can purchase five tickets for \$20 or a single ticket for \$5 in exchange for the refreshments. One ticket can be exchanged for one beer serving.

"Last time we did this, we went through 35 kegs of beer," Tesen, who has been involved with the club since 1977, said. "We're hoping for a good turnout and good weather." Tesen

explained that in the five years the club members have operated the beer tent, they have learned how to be more efficient. "We know how to speed up the lines, so people don't have to wait," he explained.

The tent will also sell some Budweiser seltzer products.

"We are able to do things for the community because of the generosity of Canton people who show up and support our projects," Burnham said. "We really appreciate that."

The club is always seeking to add to their membership, Tesen said. The members meet at noon on the first and third Monday of each month at the IHOP on Sheldon Road in Canton and anyone interested is invited to join them. For more information about membership, contact Doug Morison at (313) 600-9514.

The Juneteenth event will begin at 3 p.m. on the Amphitheater Stage with mistress of ceremonies Pamela Osborne, a Canton native, and WDIV Channel 4 anchor/reporter. Osborne will also present the keynote address.

addition, starting at 5:30 p.m., festivalgoers can enjoy Motown favorites performed by a local band. This special Juneteenth Celebration will culminate

Township officially recognizes work of Village Arts Factory

As fireworks light up dark skies over Canton Township once again, Liberty Fest ushers in a season of celebration...of sunny days, warm breezes, and endless reasons to gather with family, neighbors and friends. This real sense of community and belonging can be seen, heard, and felt with every concert in the amphitheater, every bustling morning at the farmers market, and every leisurely stroll through Canton parks and events. The Village Arts Factory Campus has become one of these 'summer bucket list' destinations for all-ages fun, shopping, gathering, arts and entertainment.

Since the Partnership for the Arts & Humanities' (Partnership) acquisition of the Henry Ford property in 2012, consisting of three buildings, the Factory, The Warehouse and the Dorm, these historical landmarks have slowly transformed into welcoming and inclusive spaces for the talented resident artists and business owners who call the Arts Warehouse home. But, more than this, it has become gallery space for historically under-represented voices and perspectives. It has played host to important holiday and cultural events. It has provided a safe space for learning new skills and developing creative expression at any age or stage. It is even an inviting retail outlet for a unique assortment of locally produced gifts and goods. But...it is only getting started.

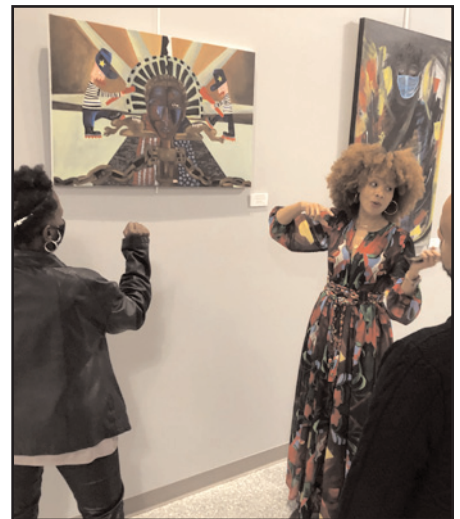

Canton Township leaders have also taken notice of this dynamic transformation, and as of May 24, the board of trustees formally recognized the importance of the Village Arts Factory to the economic success and development of the Village District, as well as

the importance of offering opportunities for all residents to experience the arts and humanities locally.

This newly strengthened collaboration will provide resources to the Partnership to increase events and services that continue to support and foster the cultural arts community in Canton.

Township Supervisor, Anne Marie

Graham-Hudak shared, "We are pleased to be forging an alliance with the Partnership for the Arts & Humanities to support community events, arts programming and economic development in Canton. The opportunity to experience the arts and humanities, along with expanded programming, will benefit all Canton residents, including the underserved, dis-

abled and at-risk youth far into the future.”

Township Clerk, Michael Siegrist, added, “The Village Arts Factory is central to the township board’s vision for the Cherry Hill Development Plan...We are committed to investing in our ongoing relationship with the Partnership and support them in their efforts.”

Partnership for the Arts and Humanities leaders said they were elated to have a deeper level of investment and dedication from the township to continue to build on the momentum that is already being cultivated there. Collaboration on this level will bring additional energy, creativity, and life force to a pulse in the Village that grows stronger each day, they added
